

# Performance Items by Level (PIL) Chart: Math Level 3

2020/2021 - K753 - X30

Operations & Algebra	Measurement & Data	Geometry, Numbers & Fractions	Algebra, Ratio & Proportion, Statistics & Probability, Expressions & Equations, Functions
<p>73. Solves 10 simple 2-digit word problems using multiplication...</p> <p>78. Uses repetitive addition to explain 5 multiplication proble...</p> <p><b>RD MS JB AS</b></p> <p>79. Finds factor pairs in real-life problems with values from 1...</p> <p>81. Solves 5 addition &amp; 5 subtraction problems with multi-digit...</p> <p><b>RD MS KT</b></p> <p>88. Multiplies a multi-digit whole numbers up to 999 using a ca...</p> <p>90. Determines the ratio between 5 sets of objects (e.g., 100 b...</p> <p><b>MS AS</b></p> <p>95. Graphs 5 sets of information to show proportional relations...</p> <p>98. Creates an equation to solve 5 real-world, multiple-step wo...</p>	<p>74. Identifies the volume/measurement of 5 familiar items, usin...</p> <p><b>AC</b></p> <p>77. Identifies 10 whole and fractional parts depicted in diagra...</p> <p><b>RD</b></p> <p>83. Answers 5 questions about a line graph with 4 or more data ...</p> <p><b>MS JB AS AC</b></p> <p>85. Identifies positions of 5 sets of lines in figures: 3 sets ...</p> <p><b>JB KT AS</b></p> <p>87. Represents fractions by marking the values on a number line...</p> <p><b>MS JB KT AS AC</b></p> <p>91. Finds the area of 5 rectangles to the nearest inch (piece o...</p> <p>92. Identifies the meaning of data including range, mean, media...</p> <p><b>MS JB KT AC</b></p> <p>96. Compares 5 sets of 2-dimensional shapes to determine congru...</p>	<p>76. Describes 5 shared attributes of a rectangle and rhombus (e...</p> <p><b>JB KT AS AC</b></p> <p>77. Identifies 10 whole and fractional parts depicted in diagra...</p> <p><b>RD</b></p> <p>80. Uses &gt;, =, and &lt; symbols to show the relationship of 10 pai...</p> <p><b>MS JB KT AS AC</b></p> <p>85. Identifies positions of 5 sets of lines in figures: 3 sets ...</p> <p><b>JB KT AS</b></p> <p>87. Represents fractions by marking the values on a number line...</p> <p><b>MS JB KT AS AC</b></p> <p>91. Finds the area of 5 rectangles to the nearest inch (piece o...</p> <p>96. Compares 5 sets of 2-dimensional shapes to determine congru...</p>	<p>90. Determines the ratio between 5 sets of objects (e.g., 100 b...</p> <p><b>MS AS</b></p> <p>92. Identifies the meaning of data including range, mean, media...</p> <p><b>MS JB KT AC</b></p> <p>93. Computes the ratios for time and distance in 5 word problem...</p> <p>94. Solves 10 real-world problems including addition, subtracti...</p> <p><b>KT AC</b></p> <p>95. Graphs 5 sets of information to show proportional relations...</p> <p>97. Analyzes a complex graph by describing the following inform...</p>
<b>Additional Items to Match Current IEP Goals</b>
